

# 1st & 2nd Grade

Dear Parents/Guardians,

Since we are in Phase 4 now we will be utilizing virtual school on Fridays. All the students have been using Canvas in the classroom so they will be able to use that feature at home on Fridays to do their work. When each student needs to log in for their work they will go to [canvas.gennet.us](https://canvas.gennet.us) and go to their sign in with Google. Their log in will pop up and they will only need to log into one class now. The class will be labelled either First Grade or Second Grade. All coursework will be there for the whole day. You can see tabs that say Monday, Tuesday, etc. Students online for Fridays will only need to complete the Friday tasks because they have done the other work throughout the week.

Students will be required to log into canvas and complete their work as well as join zoom every Friday at 10:00. I will send the link out on the remind app. If you have any questions the best way to reach me is via email: [mdell@eupschools.org](mailto:mdell@eupschools.org) I have set up a remind account for parents to join to keep in touch easier. The code to join is @2afk6e7

Thank You,  
Megan Dell
