

3rd & 4th Grade

October 13, 2020

Dear OCS Families,

As you know, beginning this Friday, October 16th, all our students will be learning from home via our Canvas online learning platform. On Thursday, students will be bringing home all the supplies they need to be successful while learning from home. These materials must be returned to school on Monday and include: a school provided backpack, Chromebook, charger, and packet of schoolwork. Students will be REQUIRED to login to Canvas on Friday, completing any work assigned to them in math, language arts, social studies, and/or science. Additionally, students will also be REQUIRED to complete any paper schoolwork sent home by the teacher. All third and fourth grade students will attend a MANDATORY Zoom meeting on Friday at 9:00am. Please rest assured that all students know how to access the online learning platform and their daily assignments. This is something that we use every day in the classroom, and I am confident that they will be successful while learning from home. As always, if you are experiencing any problems you may email me at lbowen@eupschools.org. You can also send me a message via the Remind App. I have attached instructions on how to join Remind if you haven't done so yet. Thank you for your patience, understanding, and cooperation during this time.

Mrs. Bowen
