

October 12, 2020

Dear Parents,

As you are aware Ojibwe Charter School will be meeting virtually on Fridays due to the increased risk from the current COVID pandemic.

Every Thursday your child will bring home their school issued laptop computer, charger, headphones, and mouse in a laptop bag that will be provided by the school. They will also have a workbook or a packet of paper assignments. On Monday when we return to in person learning it is critical that your child bring their computer, accessories, and completed assignments with them to school.

On Friday mornings our class will meet on Zoom at 10am; a Zoom link will be sent to your child's school email account. All students are required to attend this Zoom session in order to receive credit and be marked in attendance for the day.

Your child will have daily assignments on these Fridays in the following subjects: Math, Language Arts, Reading, Spelling, and either Science or Social Studies. I want to assure you that your child knows how to log into both their school email and Canvas; we have practiced, and they have been taught how to view, complete, and submit assignments properly. That being said, please don't hesitate to email me

bennes1@eupschools.org if you need ANYTHING at all.

Thanks for your patience during this transition,

Mrs. Ennes

ELA:

Please finish reading Island of the Blue Dolphins and complete the chapter questions, vocabulary, and figurative language sheets that accompany it. I recommend you follow the schedule below:

- March 20 Chapters 19-21
- March 23 Chapters 22-24
- March 24 Chapters 25-27
- March 25 Chapters 28-29 & Authors Note
- March 26 Vocabulary (I have included a dictionary for your use on this activity)
- March 27 Figurative Language & Similes

MATH:

All your math work is review. There should be no surprises and no material that you haven't seen before; in addition to the stapled packet there are loose sheets of math work with your name at the

top, these are specific to your needs based on MAPSKILLS. If you are able please work on your Reflex Math daily.

WRITING

Please work on writing for ten to fifteen minutes a day using the writing book and choosing from the list of prompts in the writing packet. Remember my expectations for fifth and sixth grade writing and use the R.A.C.E. strategy.
