

Ojibwe Charter School is hiring an Ojibwe Language & Culture Teacher

11507 W. Industrial Drive, Brimley, MI 49715

Ojibwe Charter School District Can Offer Teachers:

- **A Supportive Team:** OCS is a highly collaborative environment comprised of talented, successful, passionate educators who are committed to the mission.
- **Professional Learning:** OCS provides a great amount of professional development in best practice, including an orientation class for new staff and *nationally* known experts.
- **Competitive Compensation:** Competitive starting salaries, excellent medical, dental, and vision benefits, long and short term disability, life insurance, a 410K program and more.
- **A Culture of High Expectations:** OCS provides a need fulfilling environment, based on high expectations for quality work and academic performance that educates the whole child. Character education and internal motivation psychology are infused into all aspects of the school.
- **We Are Looking For:** OCS is seeking strong candidates with strong character, a passion for excellence, relentless commitment to the academic success of all students, excitement for teaching/learning and a commitment to growing their craft. We hire teachers who work together, learn together, and do whatever it takes, day in and day out to engage students through an interdisciplinary model which emphasizes understanding of the whole child and supports the growth of intrinsic motivation.
