

Special Education

October 12, 2020

Good afternoon parents and students,

Due to local guidelines, Ojibwe Charter School will be closed on Fridays starting October 16, 2020. Students will be asked to complete their work online. For those students who come into my room we will be using an online program called Mobymax. Your child has used Mobymax within my classroom and we have practiced what to do. I ask that your child work for a minimum of 20 minutes each on Fridays. I have selected the subjects available for your child to use and they will show on their home screen. I will be monitoring their activity at home. If your student is not completing his/her online homework, then I will be setting up zoom meetings and we will be completing class work together.

Please remember I am using the Remind app for communication purposes. If you have not accepted my classroom invitation, please do so asap.

As always if you have any questions please feel free to contact me using Remind or my email. jheikkinen@eupschools.org

Thank you,

Jodie Heikkinen
