

Virtual learning Tutorials

(How can I access my student's classes?)

Dear OCS Families,

Below you will find some links to videos on how to access the various websites that our students use to complete their work. These tutorials will hopefully make your virtual learning experience a little smoother. We appreciate everything you do to help your students be successful during these difficult times. Thank you so much!! Together, we can get through this. If you have any questions or need any help, please feel free to contact us at the school or email Ms. Rowell (arowell@eupschools.org).

Sincerely,

Ms. Rowell
